MERCOTAC® BRUSHLESS SLIP RINGS RECYCLING

Thank you for returning your used Mercotac brushless slip rings for recycling and not disposing them in the trash or landfill. The used brushless slip rings will be sent to a licensed mercury recycling facility where the liquid mercury is retrieved for future use through an environmentally safe distillation process.

HOW TO RETURN MERCOTAC BRUSHLESS SLIP RINGS:

Used Mercotac's should be returned to Mercotac, Inc. by **UPS Ground shipping only**. Do not send Mercotac's for recycling through the U.S. Mail or by Air service. Mercotac Inc. provides free shipping within the 48 contiguous United States. Please contact Mercotac, Inc. for these shipping instructions. The used Mercotac's should be shipped to:

Mercotac, Inc.
Attn: Returns
6195 Corte Del Cedro
Carlsbad, CA 92011

Note: We are unable to process non-Mercotac mercury items and they will be returned.

HOW TO PACKAGE:

The Mercotac brushless slip rings should be tightly sealed in a heavy duty sealable bag and then packaged with padding (bubble wrap, peanuts, etc.) in a sturdy box. This completed Recycling Form must be included in the box with the shipment.
